MERRY CHRISTMAS!!

Well not quite, and no the guy who is writing this hasn't gone forward in time or lost his marbles, we're just planning ahead and making sure that you are too.

Have you got your Christmas Entertainment booked yet? If not then we suggest you get onto it quickly, otherwise you might end up with nobody, or at the very least a company that you might not be happy with.

We have a few vacancies left, if you want to get in touch too see if we can help you with your Festive Entertainment arrangements. As mentioned in our last Newsletter, we are revamping ALL our rigs and have added LED Lighting and LASERS to all rigs.

We are also putting together a couple of NEW PACKAGES which will be fully operational and available from the end of August. These packages will be of particular interest for the Festive Season and the Wedding Market. More details to follow by August. details will also appear on our website by then as well.

NEW SERVICE

We are now able to offer KARAOKE or KARAOKE DISCOS. This has come about because one of our NEW DJ's is also an experienced KARAOKE presenter. William has been presenting KARAOKE for almost 14 years (so he should have got it right by now). We supply one large TV screen and one small TV screen. These can be linked into other screens at the venue if required, depending upon size of the venue.

Featuring the latest machines and a choice of thousands of songs from the 1950's to the 2000's, we are sure you will not be disappointed with this service.

COMPANY PROFILE

STRAIGHTSHOOTER DISCOS

PROFESSIONAL MOBILE COMPANY based in Central Fife, with 32 years experience in entertaining the public.

In 1972 a budding young DJ, Andy Wylie, went along to his local Youth Club and decided he could do better than the existing DJ. After doing the rounds of youth clubs and youth fellowships for 4–5 years, Andy decided that it was time people paid him for his services and time and so in 1977 **STRAIGHTSHOOTER DISCOS** was formed and the company has gone from strength to strength ever since.

Over the years, we have provided discos for thousands of satisfied customers both in the Private market and the Corporate market.
